5- WHAT TO BRING WITH YOU

Linnen and towels are included, however we dont provide beach towels so you must bring one with you.

Baleal temperature varies pretty much between day and night, so be sure you bring something warm for cold nights.

Sun protection is a must have when we talk about surfing. Inside of the water solar radiations are much stronger so even during foggy days you can get seriously burnt. If you dont have one, you can always buy it at our surf shop located on the reception. Sun umbrellas are available on the surfcamp.

Be sure you bring with you your passport, ID and health card (in case of European Union). We also recommend to get a travel insurance if something happens during your vacation. During the surf course, you're covered by our insurance for sure.

We are looking forward to see you soon and please dont hesitate to contact us if you have any questions or you want further information.
